The **University of Duisburg-Essen** is located on both campuses in the cities Duisburg (DU) and Essen (E), Germany. More information: <http://www.uni-due.de/en/university.php>. For subject-related questions please feel free to contact the relating institutions (see Contact). Page http://www.uni-due.de/international/download_degree.shtml provides all **application forms**. The **International Office** helps foreign applicants and post-graduates who are interested in our courses of studies. You will be advised especially on matters of application, enrolment, and admission. Website: http://www.uni-due.de/international/index_en.shtml.

The regular **course start** is April (SS = summer semester) or October (WS = winter semester). A **tuition fee** for the TWM course will be raised (Relevant information can be obtained from the TWM website). For more information on other fees see http://www.uni-due.de/studierendensekretariat/sozial_studierendenschaftsbeitrag.shtml.

For **scholarships**, please note that applications must be submitted well in advance when you are still living in your home country. As soon as you have taken up studies at a German university no applications will be accepted, for detailed information please check DAAD webpage <https://www.daad.de/en/>

*In some degree courses (at the Faculty of Engineering) the language of instruction is **German**, too (50:50). - For an overview of all our degree courses see http://www.uni-due.de/studienangebote/index_en.shtml.
